ICBS Satellite Conference
On Algebraic And Arithmetic Geometry

Tsinghua University & BIMSA

2023 / 7.12-7.14

INTRODUCTION

The conference aims to communicate and discuss some of most recent progress in algebraic geometry and arithmetic geometry. It will also stimulate further interaction between the two areas.

Organisers: Caucher Birkar (Tsinghua Univ.)

Ivan Fesenko (Univ. Warwick and YMSC)

Zoom ID: 262 865 5007
